Portable USB Speaker

These stylish speakers allow you to enjoy music whenever and wherever you want. With the plug & play function all you have to do is connect them to your notebook with the USB cable and you are ready. The speakers are connected with a 60 cm cable which enables flexibility in the placement of the speakers.

For transportation just store the cables under the speakers and snap them together on top of each other. The speakers have a 2 watt output (1 watt per speaker).
